Dear Students:

You have a new school, a skilled faculty, approved courses, the latest in teaching aids, a progressive Board of Education, and an attractive program of extra-curricular activities. These things, wonderful as they are, do not in themselves guarantee that you will become a good student or a respectable citizen.

You alone determine the road you wish to travel. This road can be made easier for you by energetic application to the job at hand, high ideals, respect for others, and the ability to make right decisions. These are the things that insure success in life!

With best regards,

C. Warren Dingle

C. Warren Dingle

To the Class of 1958:

Now that you have completed high school, you can look ahead to broader opportunities. Many of you will continue to advanced schools, others will feel that your best opportunity is in immediate employment. Whatever you do, the rewards that you receive from life will largely depend upon the service that you are willing to render.

It is my sincere hope that your experiences at Fort LeBoeuf have been of value to you, and that you will take full advantage of the opportunity of citizenship in a democratic society.

Cordially yours,

Earl C. Stubbe

Earl C. Stubbe

Mrs. Carter, you have watched us grow from one room school houses to a school system modern in every way. Though the road has been hard your courage and determination have kept you with us.

It is with pride that we dedicate the 1958 Sentinel to you.

MRS. ADA CARTER

Mrs. Carter, advisor of the Junior Tri-Hi-Y, serves refreshments at a party.

"Who dunnit?"

The LeBoeuf Players' first activity was a trip to Cleveland where thirty members saw the renowned Musicarnival do a production of "South Pacific."

Three one-act plays were presented on November 21 and 22. The titles were: "The Ugly Duckling," "Trifles," and "Sunday Costs Five Pesos."

Plans for the year included the construction of scenic units which are now available for class plays, making them more colorful and realistic.
